

Chamber of Eco Commerce

Greetings from Atlanta!

To increase bilateral SMART trade between U.S. and Finland, the Chamber of Eco Commerce, in partnership with Consulate General of Finland New York, Finnish American Chamber of Commerce New York, and Finnish American Chamber of Commerce Southeast, will host Investing in SMART Innovation Business roundtable, Monday, May 22, 2017 from 5:00PM to 7:30PM in New York City.

This international business roundtable will attract Leaders from Business, Government, NGO, Academia, and Non-Profits, to discuss bilateral trade and investment opportunities.

Please join us to share and learn, and to meet International Business Leaders and Investors seeking to enter or expand their business in the SMART market.

All participants will be invited to SMART Trade Mission to Finland, September 3-7, 2017.

This event is by invitation only. Food and beverages will be served. Please RSVP by May 10, 2017: Minna.LeVine@ChamberofEcoCommerce.com

Limited seating, first come.

I look forward to seeing you May 22, 2017 in New York City!
